description

Our client, a leading international bank, is looking for a results and success driven mortgage professional for a long term project. For the right candidate, this opportunity provides direct hire potential based on performance.

This position requires at least 5 years of mortgage foreclosure experience.

General duties:

- Review foreclosed loans, evaluate whether or not they were processed in accordance with HAMP, Proprietary Modification or other applicable program guidelines and requirements
- Review and compile fully documented loan histories, imaged documents and information available from all sources to collectively determine if it validates the information used to make the foreclosure decision
- Complete Claim Review and perform Harm Evaluation according to Promontory/OCC definitions:
- Determine if Borrower / Customer has a valid claim
- Determine if there was financial injury
- If there was financial injury, determine the amount
- Perform final determination of Harm

Working hours: 8-5

Qualified candidates:

- 5 plus years of mortgage experience required
- Ability to assess a comprehensive mix of information and details
- Must have superior analytical and organizational skills
- Able to identify, validate and report on trends to ensure compliance with control procedures
- Demonstrates integrity

All qualified candidates must be able to pass background screens as well as computer assessments.

To be considered for this opportunity, you must visit www.randstadstaffing.com to complete a profile. Applicants are being reviewed immediately. Please, no phone calls.
